Financial Aid Pledge

Dear Applicant,

Please read the below very carefully and make sure you understand perfectly well. If you have any questions refer back to us.

1. All students applying to study at AUB and LAU should also apply for Financial Aid at both universities. Students who **do not apply** for Financial Aid are responsible to cover
 - 15% of their tuition at AUB if they receive a scholarship
 - 30% of their tuition at LAU if they receive a scholarship

➤ *These amounts will be deducted from the ULYP scholarship if you receive one.*
2. When you apply for financial aid at AUB and LAU you'll be asked to get a document from the Lebanese government as proof that you do not own any property in Lebanon (houses, lands etc.)
 - *We have reached an agreement with both LAU and AUB so that **Palestinian applicants are not required to present this document** as you are not allowed to own property in any case.*
3. It is very important that you note the following:
 1. Do not mention ULYP when applying for AUB and LAU Financial Aid.
 2. At AUB you need to apply for Financial Aid at the same time as when you apply to the University.
 3. At LAU you need to find out when is the Financial Aid Application deadline. You'll be asked to present several documents, make sure you do not postpone your application till the last minute.
4. Applicants who carry Lebanese citizenship or ID should apply for a loan through AUB or LAU. The amounts of these loans will be discussed if you receive a scholarship from ULYP.
 - ULYP will not be responsible to cover the loan amounts should a student not apply for the loan.

I have read, understood and will follow the rules mentioned above.
